Shelia,

We would be available for sampling the weeks of 9/19 or 9/26.

Thank you,

Brian Boling

Subject: Triangle Lake drinking water and food sampling schedule

Hi All,

We just had a call with OHA. A pre-call to the larger call this afternoon. We talked about postponing the drinking water and food sampling until after Labor Day. This will give us more time to complete the QAPP, schedule the sampling with the residents (OHA isn't doing this for us anymore), and work through the confidentiality issues (i.e., recording lat/longs) with the attorneys. I wanted to check on your availability in September. Please "respond all" to this email and we'll try to firm up a period of 5+ days in September that works for everyone. Thanks, Sheila
